Do Dogman And Bigfoot Have Shared Origins? - Inside the Supernatural

https://www.youtube.com/watch?v=Db_DZhmWAEg

I knew nothing about them growing up. I grew up in the everyday world where we were sheltered from the DARK SIDE as I refer to anything evil or dark or that goes "bump in the night." We learned everything from the News between 5:00 - 6:00 pm on our television screens or from the gossip mills. We were the average "clueless idiots."

Today as a Truther, Nationalist. Patriot, and author today, I have listened to many video's and heard many stories about chimera that I have sent on to my readers as part of the End Time Agenda ideologies as it relates to the End Time DEEP STATE agenda's for Mankind.

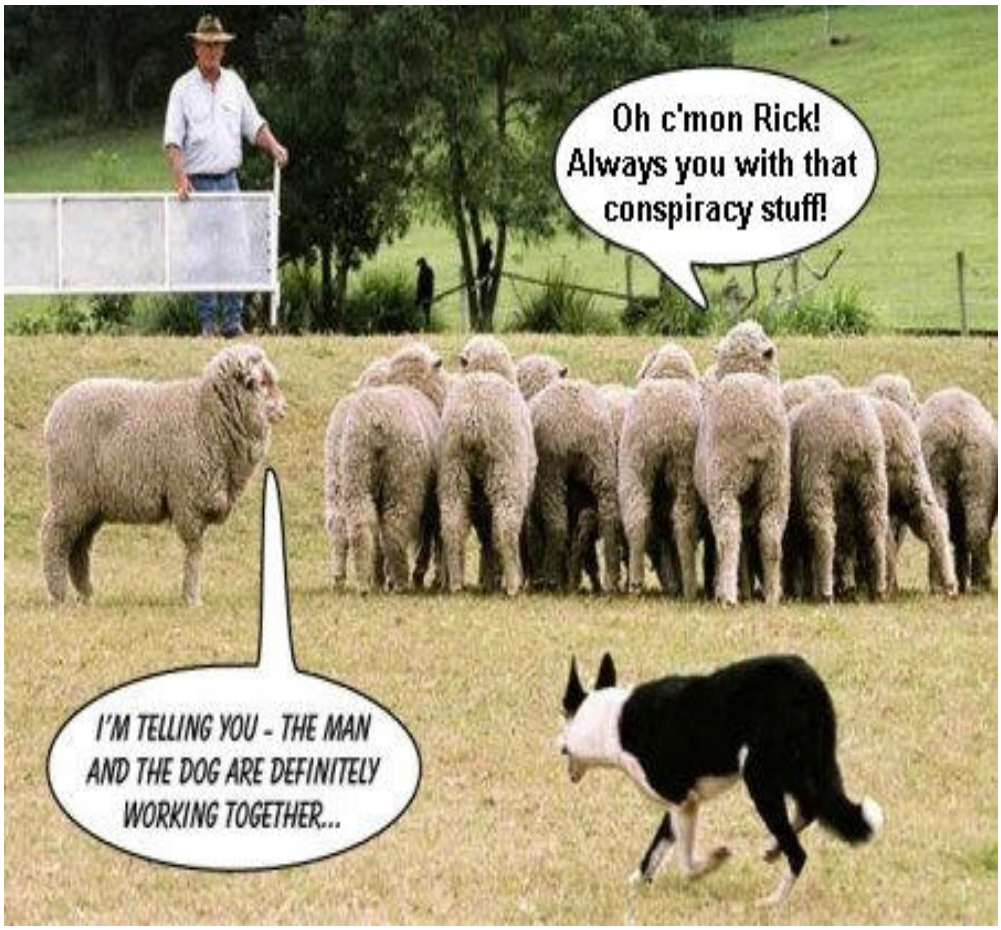
Most people are asleep today and DON'T GET IT however those who do who study these subjects realize that we are dealing with physical other dimensional beings whose existence go all the way back in time to ALIEN GENETIC ENGINEERING in ancient Mesopotamia and around the world. I focus my studies on the ancient Middle East.

The purpose for designing these creatures is that they are the ATTACK DOGS that will be let loose soon to attack mankind according to the prophecies found in the Bible. Some are benevolent that live on earth others that are entering the scene today are killers.

However in prophecy the target for these killings appear to be the DEEP STATE and their puppets as well as religious leaders who have been lying to their congregations about the misinformation, disinformation and lied found in the Bibles. These lies include the warnings that were meant for the general public that they need to know about. All of these ancient warnings have been CLASSIFIED BY THE CHURCH and STATE for thousands of years to keep the Sleeping Sheeple in snooze mode.

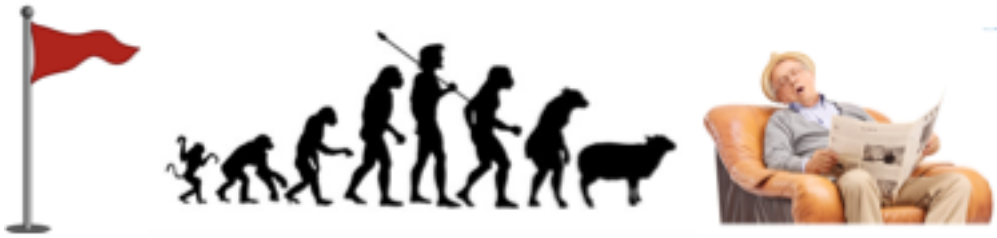
Today the DEEP STATE has been genetically engineering these chimera in underground locations around the world and in America. To me they fit the description of the "beasts of the field that will be let loose to kill about 1/4 or mankind.

Isaiah 56:9 and Exodus 23:29 describe them as part of judgment or consequence. The Bible describes "beasts of the field" involved in killing during the end times in several verses, most notably **Revelation 6:8**, which states that authority is given to kill "by sword and by famine and by pestilence and by wild beasts of the earth". Other verses, such as **Leviticus 26:22** and **Ezekiel 5:17**, also speak of wild beasts being sent to kill, destroy livestock, and make people few in number as a form of punishment.



POLITICIANS AND CHURCH LEADERS WILL BE THE TARGETS OF THE BEAST OF THE FIELD CHIMERIA ATTACKS SOON AS WELL AS THOSE WHO FOLLOW THEM WHO WE REFER TO AS SLEEPING SHEEPLE

Wake up those of you Sleeping Sheeple who call yourselves Christians because these dangers apply to you ALSO. This is because you teach the false Jewish and Roman Orthodox Catholic and Christian (JROCCC) The Bible doctrines of devils and demons which are NOT THE TEACHINGS OF JESUS ONLY.



The SHEEPLE

prepared for baptism into the New World Order

Wake up before it's too late sleeper head for higher ground and stock pile. Learn who the enemies are for heaven sake the clock is ticking

Isaiah 56:9 and Exodus 23:29

AI Overview

Isaiah 56:9 is a judgment prophecy where God calls the "beasts of the field and forest" to devour his people, symbolizing the judgment that will come upon them because their spiritual leaders are corrupt, blind, and self-serving. The verses that follow describe these leaders as "mute dogs" and "shepherds" who are greedy, complacent, and more interested in their own gain than in caring for the flock.

- **A call to judgment:** "Come, all you beasts of the field, come and devour, all you beasts of the forest!" This is a divine command for destructive forces to attack, representing a time of severe judgment for Israel.
- **Corrupt leadership:** The reason for the judgment is the failure of Israel's leaders, who are described as blind, ignorant, and unable to protect the people ("mute dogs, they cannot bark").
- **Self-serving shepherds:** These leaders are likened to shepherds who "all turn to their own way, they seek their own gain" and "are greedy dogs which can never have enough".
- **Inversion of roles:** This passage depicts a reversal of the natural order: the flock is vulnerable to being preyed upon by outside forces because their supposed guardians are not fulfilling their role.
- **Contrasting with true leadership:** The warning is often contrasted with God's plan to bring salvation to all nations and the role of true spiritual leaders who are selfless and focused on nourishing the flock, as seen in the New Testament with the "Good Shepherd" concept, notes Bible Hub.

WHO ARE THE BEASTS OF THE FIELD THAT WILL BE ORDERED TO KILL AND DEVIOUR A 1/4 OF THE EARTH

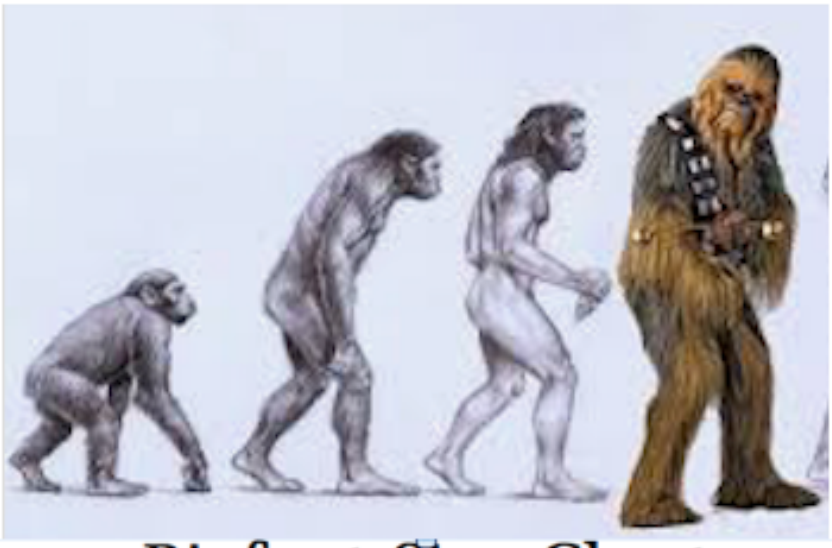
1/4 of the Earth Generally Speaking

WHAT DO WE KNOW ABOUT THESE CREATURS TODAY AND WHERE WILL THESE KILLINGS TAKE PLACE?

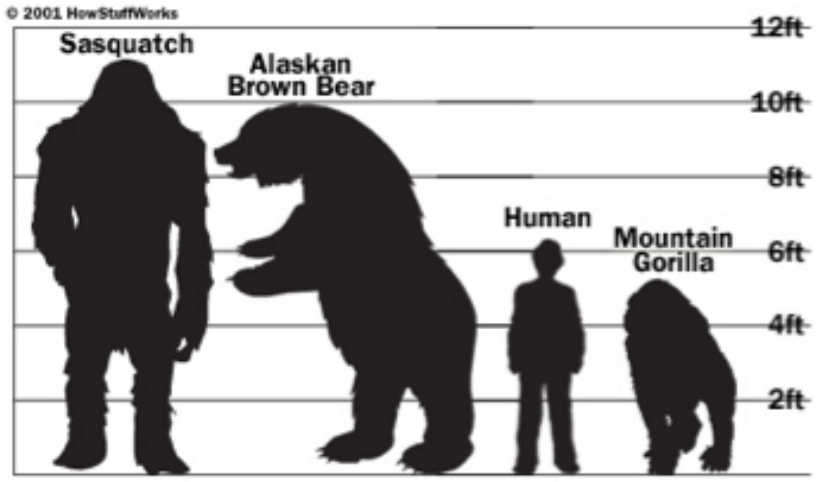
There seem to be good Chimera and Bad Ones. It depends on what they are or are not tasked to do, The technically advanced ones that are being created today seem to be the dangerous ones yet not having ever seen one myself I am speculating.

They are the ancient beasts aliens created to do the heavy lifting for aliens. They are programmed to take order from their alien god fathers.

THESE ARE GENETICALLY MODIFIED CREATURES THAT HAVE BOTH EVOLVED AND GENETICALLY MODIFIED BY ALIENS. THEY ARE HALF MAN PART ALIEN AND PART SOMETHING ELSE



Bigfoot Size Chart



GENERAL BACKGROUND: These Chimera fall into the category of what the Old Testament refers to as the GIANT NEPHILIM RAPHAM etc., that were created through genetic engineering by aliens who were thought of as gods back then. The alien gods used them to terrify kill and terrorize other tribes and to do the heavy lifting for aliens. This data is found in stories like the Epic of Gilgamesh and symbolically in the Old Testament.

The *Anunnaki* are also known as:

Nephilim - (Bible), ***Neteru*** - (Egypt), ***Divas*** - (India), ***Asuras*** - (Mesopotamia and India), ***Haruts***, ***Maruts***, ***Chanes*** - (Americas), ***Elohim*** - (Cananites), ***Loas*** - (Africa), ***Igungun*** - (Yoruba), ***Jinn*** - (Islam).

These Nephilim Giant Hybrid Demigods took orders from the Anunnaki, Fallen Watcher, Elohim gods who the Jews, Hebrews and most tribes in the Middle and Far East worshipped.

These stories are found in Genesis. In Genesis Chapter 6, these Nordic alien gods bred with earth woman to create the alien human hybrid giant sons of these gods aka the demigods, kings and leaders who were known as the Nephilim giants and by other names.

They also created human alien hybrid chimera to do their bidding and to do the heavy lifting. They were referred to in prophecy as the 'Beasts of the field.'

Meaning of Nephilim

- The word "Nephilim" means "Fallen Ones."
- Jewish scholars in 250 BC who translated the Old Testament into Greek used the term "gigentes," which means "Titans" to describe them.
- This implies they were part god/higher being and part human- half-breeds like the Titans in Greek mythology. The scholars picked a term that the Greeks would readily understand.

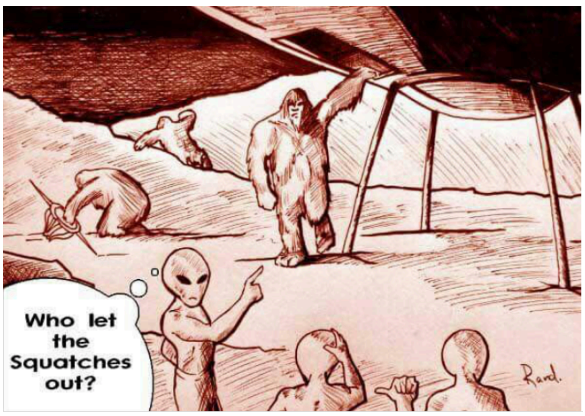
In the Americas the sky god was described universally as:

- A white man;
- Strong formation of body;
- Broad forehead;
- Large blue or emerald eyes;
- Reddish-blond hair;
- A flowing beard;
- A long white robe;
- Sandaled feet;
- Holding a staff

DNA MIXED RESULTS

Let's look at the build of these hybrid animal chimera as it relates the alien DNA. Aliens are said to be between 7-12 feet tall. Chimera are also tall beings which seems to tell us that the DNA of these giant alien gods was used to create the size of the Chimera which is what the Bible is saying using it odd symbolic language.

Aliens and Chimera track their targets using DNA. Both have abilities normal human beings do not have. If there is a key or vibration used to enter ground portals, some if not all of these Chimera use that technology. The bloodlines they track are also alien human hybrid bloodlines on earth. In the Missing 911 series most of those that go missing are of German descent and if you track the dark hair dark eyed DNA that bred with the Scandinavian German people they came from the Middle East. That's not a coincidence. I say this because these original breeding locations were in Mesopotamia in the Middle East.

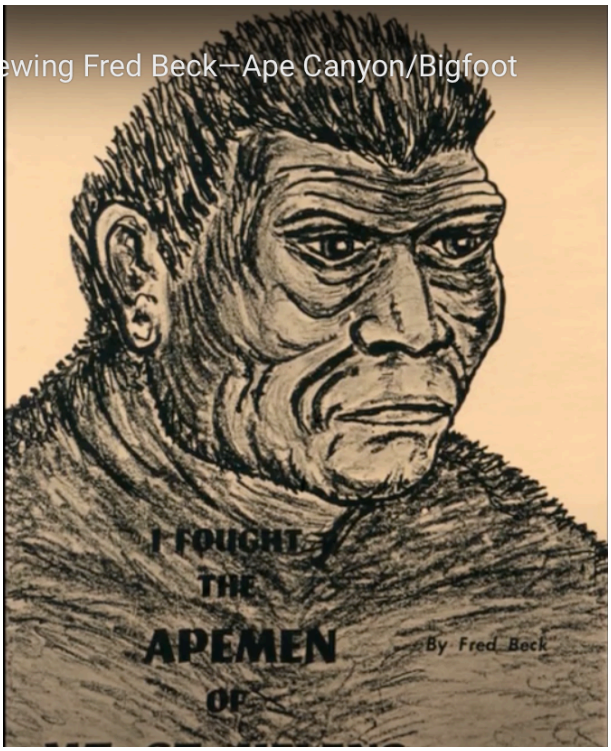


Aliens are not the only beings seen in UFO's people also see Chimera piloting them and also entering and exiting them.

Could you say that the giant bones found all over the world could be Bigfoot bones? Most of us think so despite that fact that it is classified information.

If bigfoot are seen flying a or in UFO can we refer to them aliens as well. When you realize that flying a UFO is done through MIND THINK TECHNOLOGY that they are wired with, why not.

All they have to do is put their hands on the controls and think where they want to go. I want to purchase a UFO instead of a new car the next time let's hope I don't think myself into a ditch ????



Indian have Legends and Descriptions of their hairy brothers. An artist who took the hair off the Bigfoot in order to paint the features on his face drew this image. Not only did the Big Foot look like an Indian but we have now learned that Bigfoot carry Indian Mitochondria DNA.

LAKOTA INDIAND REFER TO BIG FOOT AS THEIR ELDER BROTHER AND TANKA WHICH MEANS GREAT OR BIG BROTHER

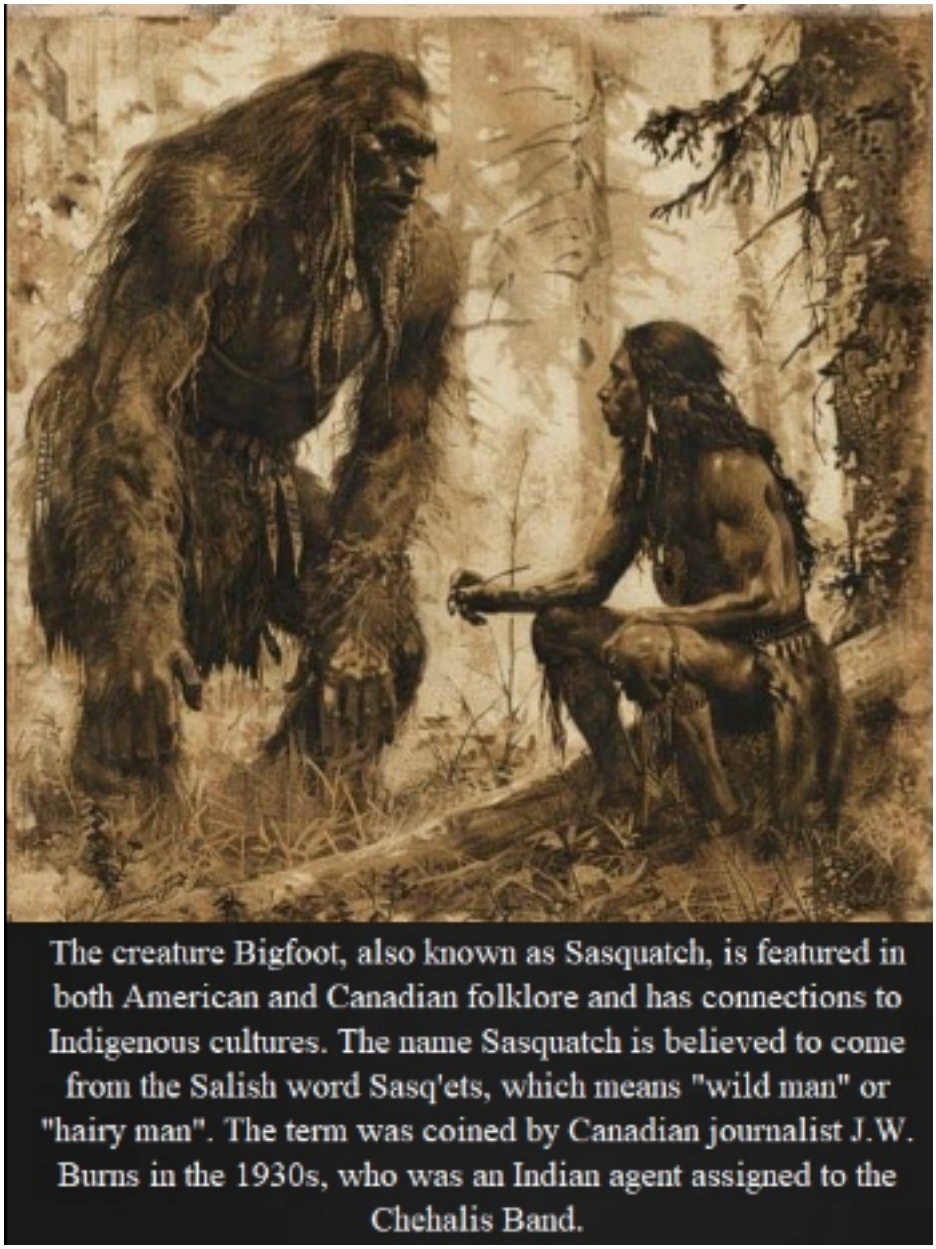
Native American History

Si Ahote · August 29 ·



The creature Bigfoot, also known as Sasquatch, is featured in both American and Canadian folklore and has connections to Indigenous cultures. The name Sasquatch is believed to come from the Salish word Sasq'ets, which means "wild man" or "hairy man". The term was coined by Canadian journalist J.W. Burns in the 1930s, who was an Indian agent assigned to the Chehalis Band.

"The Lakota, call Bigfoot Chiye-tanka "chiye" means "elder brother" and "tanka" means "great" or "big". In English, though, the Lakota usually call him "the big man". "There is your Big man standing there, ever waiting, ever present, like the coming of a new day," Oglala Lakota Medicine Man Pete Catches "He is both

spirit and real being, but he can also glide through the forest, like a moose with big antlers, as though the trees weren't there... I know him as my brother...

I want him to touch me, just a touch, a blessing, something I could bring home to my sons and grandchildren, that I was there, that I approached him, and he touched me." Ray Owen, son of a Dakota spiritual leader.

"They exist in another dimension from us, but can appear in this dimension whenever they have a reason to. See, it's like there are many levels, many dimensions. When our time in this one is finished, we move on to the next, but the Big Man can go between. The Big Man comes from Creator. He's our big brother, kind of looks out for us.

The existence of The Big Man is taken for granted throughout North America, and so are his powerful psychic abilities. The Big Man knows when humans are searching for him and that he chooses when and to whom to make an appearance, and that his psychic powers account for his ability to elude man's efforts to capture him or hunt him down. In Native culture, the entire natural world, the animals, the plants, the rivers, the stars is seen as a family.

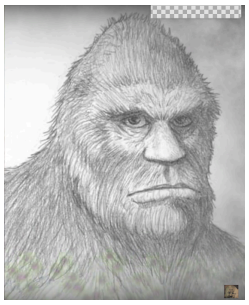
The increasing appearances of the big man are not only a message or warning to the individuals or communities to whom he appears, but to humankind at large. A messenger who appears as a warning from Creator that man's disrespect for his sacred instructions has upset the harmony and balance of existence! - Dina Moffat

THERE ARE THREE BASIC TYPES OF BIGFOOT

SAD-EYED PRISONER'S face exhibits near-human emotion as the captured Bigfoot peers out of its holding cell's lone window.

Human Looking Bigfoot seem to be one of the benign varieties.

Then their are the various primate versions of Bigfoot, which also may be benign most of the time unless attacked.



These giant chimera are strong enough to pick up a boulder and toss it at someone.

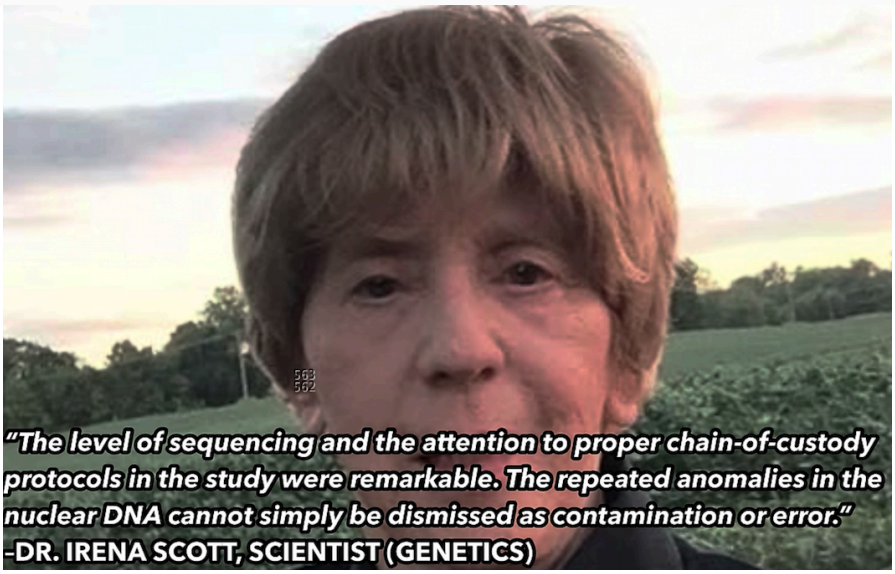
WHAT HAS BEEN FOUND IN BIGFOOT DNA
IT APPEARS THAT THE PRIMATE SIDE OF BIGFOOT COMES FROM THE LEMUR ACCORDING TO NORMA KETCHEM'S DNA STUDIES

"We used independent labs for sequencing, ensuring no bias or tampering with the results. The data is what it is–unknown nuclear DNA combined with human mitochondrial DNA."
-DR. MELBA KETCHUM, GENETICIST

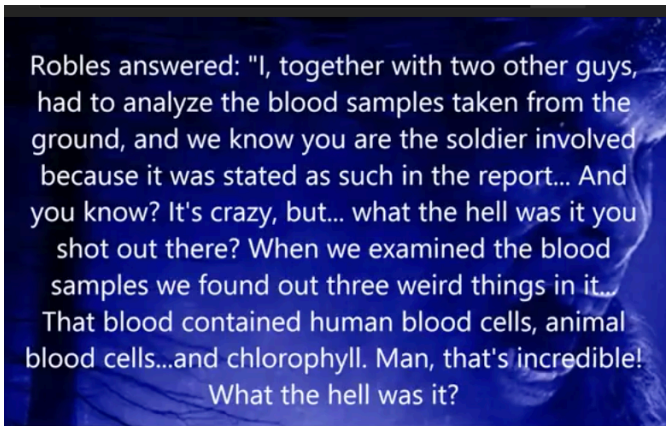
Linda Moulton Howe: DO YOU HAVE ANY INFORMATION ABOUT WHAT WOULD BE THE CLOSEST OF KNOWN PRIMATES TO THE UNKNOWN HOMININ MALE PROGENITOR?

MELBA KETCHUM: It's headed a little more towards the lemur line, oddly enough. It is definitely NOT an ape. And it's interesting that we found out that there is an extinct lemur that weighed 400 or 500 pounds. Also, they had opposable thumbs and hooded noses. It really freaked me out that we had lemur. I did not expect that (laughs).



"The level of sequencing and the attention to proper chain-of-custody protocols in the study were remarkable. The repeated anomalies in the nuclear DNA cannot simply be dismissed as contamination or error."
-DR. IRENA SCOTT, SCIENTIST (GENETICS)

PEOPLE WHO HAVE SHOT AT A BIGFOOT NOTICE THAT THEY LOOK LIKE THEY HAVE BEEN HIT MAYBY STUMPLE BUT THEN KEEP GOING AS IF THEY CAUGHT A SECOND WIND. COULD THIS BE DUE TO LIQUID CHLOROPHYLL?



Robles answered: "I, together with two other guys, had to analyze the blood samples taken from the ground, and we know you are the soldier involved because it was stated as such in the report... And you know? It's crazy, but... what the hell was it you shot out there? When we examined the blood samples we found out three weird things in it... That blood contained human blood cells, animal blood cells...and chlorophyll. Man, that's incredible! What the hell was it?

"Liquid **chlorophyll** may be what's called a "**blood builder**." This means it can potentially increase the count of red **blood** cells and improve their quality. Red **blood** cells contain a molecule called hemoglobin, which has a very similar chemical structure to **chlorophyll**.

Yes some are benevolent and don't want to hurt people

Here we have a man in a gully suit riding Nessy under a UFO having a nice day.

Kewaunee Lapseritis

Holistic Health Consultant, Master Herbalist and Master Dowser with background in anthropology, psychology, conservation and holistic health Kewaunee Lapseritis has researched Sasquatch for the last 60 years. Kewaunee pioneered the introduction of several ideas to the study of Sasquatch. One is that the there is a UFO connection, which he refers to as the Starpeople, to the Sasquatch phenomenon. Another is that there are different types of Sasquatch, for instance, that there are three separate races of them on the North American continent: the ape-like ones, the dog-faced ones and the *Ancient Ones* with a human face. Yet another is the use of telepathy/mindspeak to communicate with the Sasquatch People. These are but a few of many ideas Kewaunee has introduced to the study.

Kewaunee and his wife Kelly champion the cause that the Sasquatch people wish to assist people in improving, healing themselves, relationships, and perspective realities. To assist in these goal, they host the Psychic Sasquatch Spiritual Retreat and Conferencean international event at the Chewelah Peak Learning Center.

ENTER "THE DOGMAN"

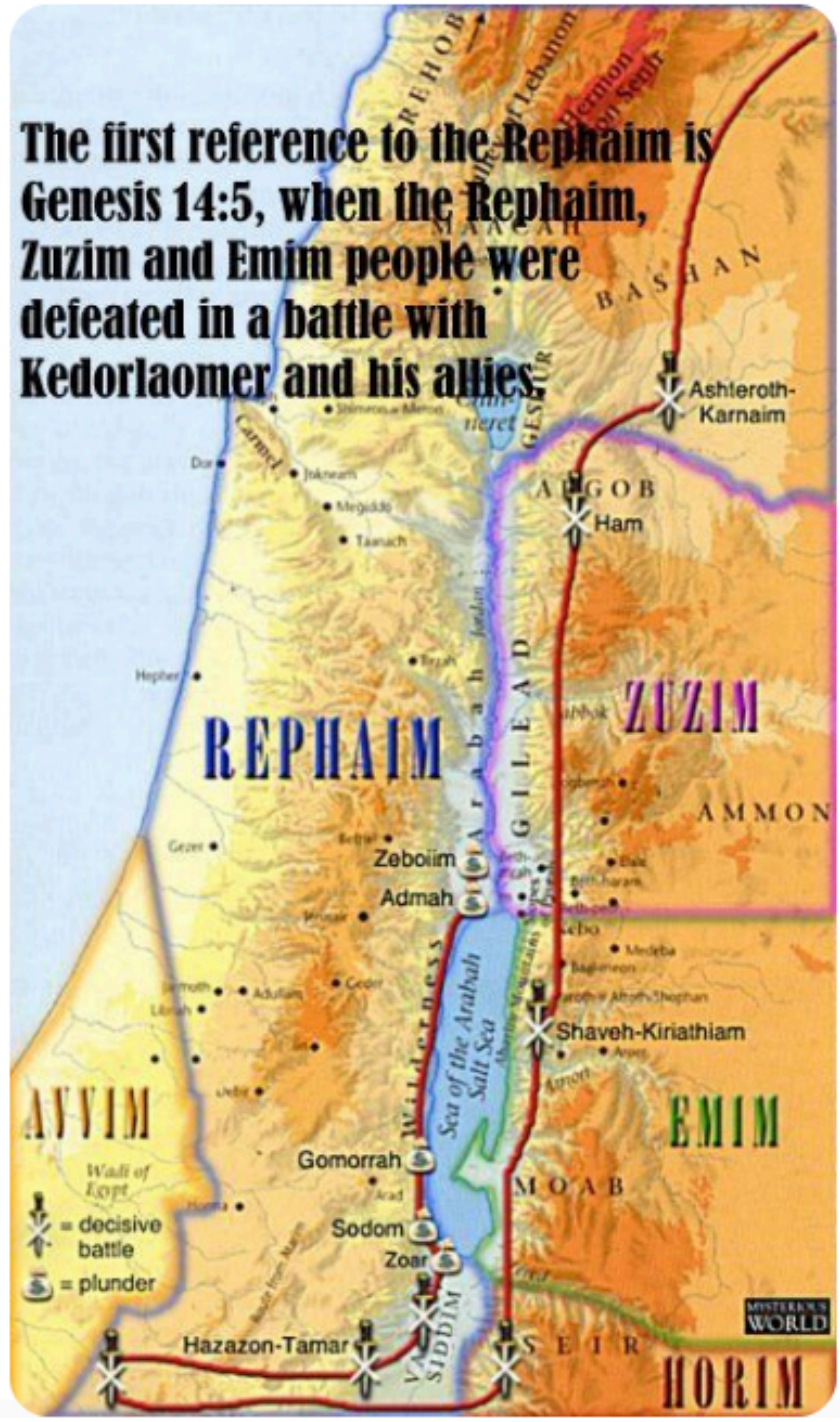
The Wulver: Scotland's Benevolent Werewolf
Unlike typical werewolves, the Wulver of Shetland is a kind-hearted creature said to guide lost travelers and share its fish with hungry families. Recent anthropological studies suggest that the Wulver may have originated from sightings of people with hypertrichosis (excessive hair growth) or could symbolize an ancient human connection to wolves. Fossil evidence of large wolves once present in the region further adds to the intrigue.

This is how eyewitnesses describe Dogman today.

These various Chimera are often seen in National Parks where people go missing whether or not they say on marked trails.

I grew up like everyone else not knowing about the hidden agenda's we are all discovering today. We camped at National Parks and spent weekends at our cabin in the country. We swam all day and played card and games all night. We had a great time and never even saw a black bear that I remember.

THEN THEIR WERE THE GIANT PEOPLE WHO LIVED IN THE MIDDLE EAST AND IN ISRAEL



The Rephaim, Zuzim, and Emim were ancient peoples in the Bible, generally described as giants. The term *Rephaim* was a general name for these giants, while *Emim* was the Moabite name for them, and *Zuzim* was the Ammonite name. They were known for being great in number, strong, and tall, with other giant groups like the Anakim mentioned alongside them.

- **Rephaim:** The most general term, used by the Israelites, for a race of giant-like people. They were also known for being connected to the spirits of the dead.
- **Emim:** The name the Moabites used for a giant people who lived in the region of their land. The name likely means "terrors".
- **Zuzim:** The name the Ammonites used for a giant people who lived in their territory. The name is also possibly a variation of *Zamzummim*, which some connect to the sound of buzzing or humming, associated with the spirits of the dead.

According to Giant legends the Giant people who lived on Cursed land in Israel went underground before the flood.

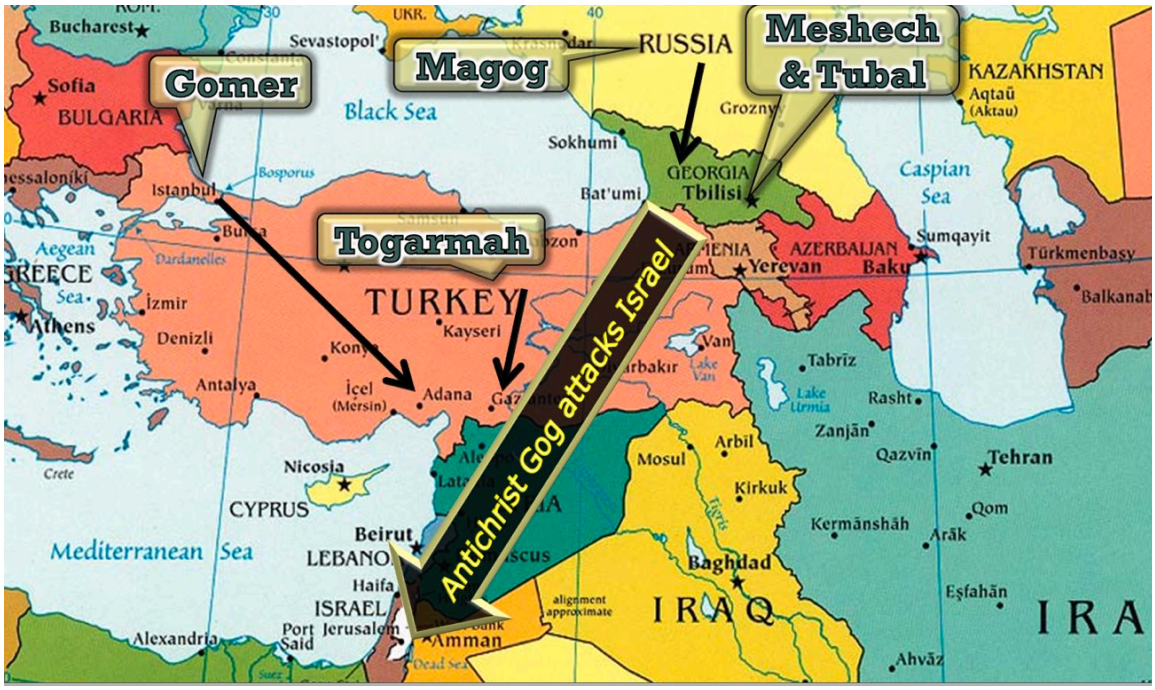
The End of the Age is upon us, Not the End of the World

The Bible warns that a powerful deception is going to take place in the last days, as mankind enters the time period Christians know as the Tribulation (Matthew 24:24; 2 Thessalonians 2:10-11).

<u>PROPHECY IS REALLY A SYMBOLLIC REFERENCE TO THE EVIL THAT IS OCCURING ON EARTH THAT IS GOING TO BE DESTROYED AS JESUS COMES BACK TO CLEAN HOUSE</u>. This appears to be in the beginning stages today

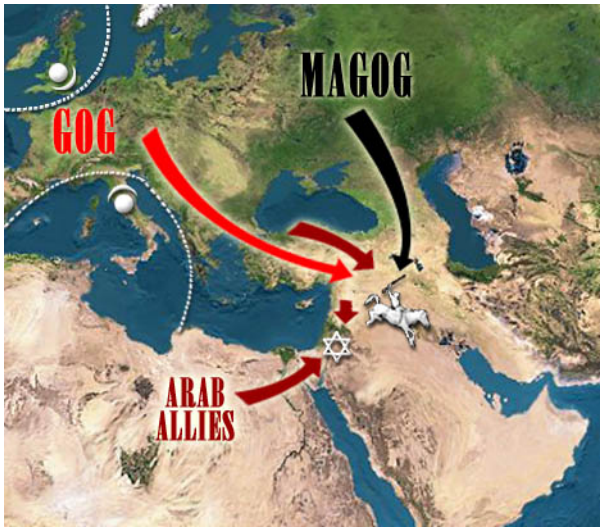
> What does Revelation 6:8 mean? - BibleRef.com
>
> They were given power over a fourth of the earth to kill by sword, famine and plague, and by the wild beasts of the earth..

It looks like the Beasts of the Field will be focused on killing people on a 4th of the earth where the End Time Battles are taking place today. These lands on the maps below incorporate 1/4th of the earth; They include the Middle East Muslim and Arabe populations and the lands where Gog and Magog occupy today which is eastern and western Europe which includes the Ukraine.



Original evil lands of Gog and Magog

These lands include the current Lands where the Jewish Zionists live and the lands that Gog and Magog live on today, which include the DEEP STATE European countries.



Israel is being attacked by the Deep State in Europe and by Muslim Arab, Palestine etc., locations that are all around them today as Trump tries to MEND FENSES

It appears as though the Chimera and giants living in those locations will also be going after the Gog Magog etc., bloodlines that have alien human hybrid DNA. America has been lift out of End Time Prophecy which seems to indicate that we will be much safer living here even if they let loose the chimera.
